The credit sits with the airline and the suppliers. We can assist you in rebooking using that credit, in accordance with that airline or supplier's credit and booking Terms and Conditions when you are ready to travel. Please note that the majority of airfares and many travel products are non-refundable so a credit offered by the airline or supplier is likely to be your best option. Travel Insurance will need to be re-issued at the time of booking (a new premium cost payment will be required). Merchandise is non-refundable and a credit is unavailable.

For cancellation that is voluntary (you are choosing to cancel your Tour), Terms and Conditions apply as per our Cancellation Policy

- Refund in the form of a future trip credit to the value of the amount paid, redeemable for travel departing less than 12 months from cancellation date. Future trip credit is not redeemable for cash. Changes in airfare may apply, and the new booking is subject to any increase in vacation price.
- Please note that supplier cancellation terms and fees may differ. No refunds can be issued until we have received final refunds from our suppliers.

On the postponement of a tour due to occurrences outside our control a group credit of 100% to put towards an alternative tour with an expiry date of 12 months (subject to airline and suppliers policies). This travel credit will be automatically applied to your booking. (Flights and other tour costs may be subject to change due to availability and cost at the time of booking).
